ADMINISTRATION

We, the class of nineteen hundred and fifty-five, dedicate this year-book to you, Mr. Robert Theiler, in appreciation of the aid you have so willingly given in order to make our school a better one. Also we extend to you a special thanks for all the help and consideration you have shown members of our class individually.

An ocean of memories,
A sea of pride
Are contained in this book
Of our past.

And now as we rush,
To greet the tide;
May this ELK help
Fond memories last.

With the inexorable passage of time, change in countless aspects of our lives inevitably occurs. Technological discoveries, inventions, and increased knowledge of our material environment all are reflected in a cause change in our way of life.

There is, however, a spirited area in which the old fashioned—and yet always new fashioned—rules and attitudes have not and will not change.

Honesty, kindness, tolerance, and just plain love of his fellow man are qualities important to mankind's progress far beyond the material things of life.

We're dealing honestly with everyone, judging with kindness, being tolerant of others who are different in race, thought or creed and recognize that love of one's fellow man is infinitely more powerful for good than all the armies ever created, then, we shall have taken tremendous stride toward humanity's long sought goal of world peace and friendship.

To you, ELK STAFF MEMBERS, and to the students of Elk Grove Union High School, falls some of the responsibility now and in the future to fight with the unchanging weapons of honesty, kindness, tolerance, and brotherly love toward mankind's goal of peace.

The Board of Trustees of the Elk Grove Union High School extends its most sincere congratulations to the staff whose industry and creative ability have been so well combined to compose this, the 1955 ELK

May we all realize that this excellent yearbook contains a great deal of hard work as well as a wealth of memories.

Once again, congratulations, ELK STAFF of '55!

STUDENT COUNCIL

As we look back on this past year, we are glad to remember that it has been a happy and prosperous one for Student Council. Benefit Day and its festivities started off our social events. We sponsored the dances after home, league football and basketball games which were played on Friday. We participated in the thirteenth annual Student Leaders' Conference at Woodland by conducting a panel on The Attitudes in Inter Social Activities. The Council helped in the organization of the Golden Empire League Council and revised the Student Body Constitution. We also sponsored the Fools Frolic on April first, the only free dance given this school year.

With the help of a sincere and willing council, Girls' League has truly been able to uphold the dignity of their motto: "Friendship, Loyalty, and Service."

The busy year was begun with the Big and Little Sister Luncheon followed by the annual Booster Tag Sale in which the girls once again won an overpowering victory over the boys.

"Snow White and the Seven Dwarfs," the title of the Girls' League Council float for Benefit Day, won first prize in the parade.

Contributions of cookies were taken to veteran hospitals and the Christmas programs followed the traditions.

The All-School Carnival jointly sponsored by the Girls' League and the Boys' League Council, the Richardsons Springs Conference and the annual climax to a perfect year, "The Mothers' Tea."

The Boys' League had a very successful 1954-55 school term under the guidance and leadership of President Alfred Onodera and Advisor Mr. Campbell.

The League sponsored the All School Party, Carnival, Welfare Fund and started an annual Talent Show.

A trip to the University of California, Benefit Day, and patrolling the halls and games have kept us busy all year.

As this school year closes, we of the Boys' League Council feel that it has been one of the most successful years of the organization.

C.S.F.

As the school year draws to a close the California Scholarship Federation can point with pride to its accomplishments under the advisorship of Miss Evelyn K. Stewart. In the Fall attention was taken by a Hi Jinx booth and a float in the Benefit Day parade. The CSF project, a handbook for Freshmen and new students was distributed to the entire student body and the CSF point system handbook was completed. The Spring semester was highlighted by the annual trip taken by the CSF'ers to a university or college in California. Yes, truly an eventful year, the 1954-55 school term was equally as enjoyable

CROSS COUNTRY

This year Elk Grove fielded the first cross country team in its history. Being the pioneers in this sport, the members of the squad gave a good account of themselves.

The purpose of the adoption of the sport was to give the distance runners training in anticipation of the regular track season.

The coming years hold promise as most of the participants were lower classmen and will provide a strong nucleus for the future teams.
